Hiring for a Sports Coordinator for MYA.

Wrapped up winter registration on 12/31/21. Ended up setting a record for registration!

MYA set a goal and exceeded that number substantially. Highest registration ever!

Spring registration is under way. Opened up January 1, 2022.

“Re-committing to being a better sports parent” blog post will go live soon. Hired marketing professionals for the newsletter and blog post.

Kudos, from Brian Catt.

NP Trail is paved from 131st to 146th, the downtown portion will be complete mid-May. Planning an adult event for the opening and a family event to follow. We have had a lot of meetings with the trail head partners with great feedback. Thought we would receive grant money to cover amenities along the trail, but unfortunately it was turned down. Trying to identify where that money can come from for the trail. The trail is already very popular. We were awarded a partial grant for the 96th @ Allisonville project. Next Level trails grant from Indy has been considered. Also for Noblesville.
